FUN ACTING GAMES FOR THE WHOLE FAMILY
THE CIRCUS IS IN TOWN!

Create your own imaginary circus show!

If you had your own circus, What would you like to be? A lion tamer or a bear? An acrobat who can do gymnastic tricks or maybe a roaring tiger? What would you wear? A special costume?

Can you create a make-believe circus right in your own home?

Everyone playing gets a special role in the circus. Someone can be the Ring Leader MC and tell everyone about the show and introduce acts.

If you only have two actors, one can play the trainer and another any animal at the circus who can do tricks for the audience. Then the two can switch roles!

Think of all the fun animals you could play. A prancing horse, a dancing bear, a lion that jumps through hoops or a seal that plays catch.

See how many acts you can come up with and let everyone play different roles!

PARENTS: You will want to join in on this one to help kids put together their show and of course the children will love it if adults play characters too!

Watch circuses on Youtube to get ideas of all the players there are in the shows!
