**DICTIONARY GAME FOR ACTORS**

This is a fun word game that you can act out. Make up words (Gibberish) and have everyone come up with a funny made-up meaning for the word.

Then take turns trying to make sentences with your new word. You can also act it out!

Example:

Made-up Name “Pipenoflu”-a giant purple fish who lives at the bottom of the ocean.

OR

“Pipenoflu”-A person who has a fear of pipes!

Sentence: Scientists have just discovered that the Pipenoflu only eats clams!

Anyone can then make up a scene playing the Pipenoflu

Come up with as many interesting meanings for each word.

Then make up a scene with your new object. You can have others join in as you improvise a story.
