

ANIMAL CHARADES

GRADES K – 2ND

DIRECTIONS: Animals move, sound, and act differently. Cut out the animal pictures and place them face down. Then, gather your family and come up one at a time and pull a card from the pile. Instruct your family member to act like, sound like, or move like that animal. Have other participants raise their hands to guess which animal it is. A correct guess nominates the next animal actor!

Bear

Tiger

Flamingo

Macaw

Alligator

Snake

Deer

Otter
