# ANIMAL GEO SHAPE ACTIVITY

Grades K-2nd

**Instructions:** Create a variety of shapes using cut up construction paper (squares, triangles, circles). Use the pieces to create an animal. Then list how many shapes were used for your animal.

*Example:*

**I made a fox. I used 13 shapes.**

**I used 5 triangles, 5 rectangles, and 3 circles.**

**I used 2 triangles to make 1 rectangle.**

circle

triangle

square

rectangle

diamond

heart

oval

star

# RAINFOREST ANIMAL ADVENTURE

Grades K-2nd

Move the rainforest animals to their home. Cut and paste the animal pictures into the circles where they belong.
