FAMOUS TEA PARTY

This fun acting game can be played by 2 or more! Everyone picks a famous character they would like to play. You can be a Disney character, a famous singer, your favorite book character or anything you'd like to pretend to be. You could even be a fish like Nemo!

You are all invited to and meeting at a pretend tea party. How would your character act? What might they bring to the party? Do they have a special way of talking and moving? Each character can tell the others about their lives and adventures!

Try to talk to the other characters at the party and have some fun conversations! After the party you can switch roles or try new ones. Did you discover a lot about your character and your new friends? Whats your favorite character to play?

If you have any costumes or props, have fun playing dress-up! You can even invite your stuffed animals or pets to the party.
