PAINT A PICTURE Pt. 2

This is version of Paint a Picture and can be done with only a few rotating players Or with a larger group. By striking poses, players are going to pantomime 2 things that go together.

Player 1 poses as anything they like- it could be a person, animal, plant, or object! They tell everyone what they are.

The second player who has an idea of something that might be in the same “picture”, tells the audience what it is and poses with Player 1.

For example:

Player 1 poses as a Starfish

Player 2 comes up as a Crab.

Player 3 now has to pose as something related to Crab and Player 1 (Starfish) sits down.

Player 3 might pretend to be a Cake around the Crab. (Crab Cake!)

The next player then has to be something related to Cake like -Birthday Candle - They would come

up and stand with Cake and then Crab would sit down.

Anyone with an idea for something that might go with Birthday Candle can then go up and pose.

You can keep playing this game as long as you can think of 2 things that go together!
