

Why participate in the youth rating project?

Benefits for afterschool programs:

- Feedback on whether youth skills have grown throughout the year
- Reflection guide that aligns staff rating of youth behavior (SRYB) and PBC-PQA, enabling integrated action planning
- \$100 in gift cards for each director and staff member who participates in fall and spring

What will my program need to do?

Director responsibilities:

- Distribute *Notification of Youth Data Collection* and note youth who are opted out of research.
- Attend brief Prime Time orientation if participating for the first time.
- Confirm participating staff raters.
- Identify youth who will be rated and keep track of their ID numbers between fall and spring.
- Ensure raters use the correct ID numbers and complete ratings by the deadline.
- Confirm gift cards for you and your staff.

Total time annually: Approximately 2-3 hours

Staff rater responsibilities:

Rate the skills of 15 youth in fall and spring.

Total time annually: Approximately 1 hour
