ACHIEVE OST applicants must continue attending trainings and/or taking classes related to the school-age youth development field in order to remain eligible for the incentive.

To retain eligibility, you must meet one of the following requirements in the 12 months prior to the award approval month.

- Move up a pathway level
- Complete 18 CPT hours of registry verified or non-verified trainings
- Complete one 3 credit youth development related class
- Complete one 3 credit class toward a youth development related degree

*Youth development related fields include, but are not limited to Education, Psychology, Social Work, Human Services and Recreation.

ACHIEVE out-of-School Time Guidelines

- ACHIEVE OST supplements will be paid directly to the afterschool practitioner on a bi-annual basis (subject to continued eligibility and ongoing funding).
- Participants must remain in the same afterschool program in order to be eligible for the biannual ACHIEVE OST supplement.
- There are NO requirements regarding how afterschool practitioners use ACHIEVE OST supplements.
- This program is NOT funded by afterschool programs or employers.
- ACHIEVE OST supplements are NOT to be considered bonuses or stipends to replace employee raises.

How do I apply?

The ACHIEVE Out-of-School Time application can be accessed from the Quick Links section on the Prime Time homepage: www.primetimepb.org.
